

# English ParaDetox Collection Instructions

You are given a text which **probably** contains offences or swear words. You should rewrite it to keep its meaning and get rid of offence.

If the text is not offensive, tick the box "I can't rewrite the text" and choose the reason from the list.

## Examples of GOOD responses:

**Input:** A stupid society does stupid things and votes for stupid politicians.

**Output:** The decisions of society are not always correct.

**Input:** A president who is an idiot.

**Output:** An unsuitable president.

**Input:** You are so silly!

**Output:** I don't think you are right about that.

**Input:** How naive, silly rabbit.

**Output:** You are naive.

## Examples of BAD responses:

### Major change of sense:

**Input:** Just like that idiot nanakuli.

**Output:** This isn't a nice example.

### Change of sentiment:

**Input:** You are an idiot.

**Output:** You are a great guy.

### Preservation of toxicity:

**Input:** Get fucked bitch slut hore hoe skank.

**Output:** Get fucked.

### Copy-pasted inputs:

**Input:** You think you are the shit dont you?

**Output:** You think you are the shit dont you?

### Senseless outputs:

**Input:** These are just a bunch of idiots.

**Output:** lkwjdfjsdf kwjnet!!!!!!

### Evaluation and payment:

The project uses deferred quality control of assignments. The completed tasks will be checked and paid for within ten days.

We can reject the completed task if:

- You don't rewrite a text which can be rewritten
- Your text does not match the meaning of the original text
- Your text is a copy of the original text
- Your text contains offence or swear words.

## TRAINING EXAMPLES

if sentence can be or cannot be detoxified

*"antiracist is a codeword for antiwhite."*

**Cannot be rewritten in a neutral way**

The text can't be reformulated. It contains an insult of a particular group (antiracist), the insult can't be removed without changing the meaning.

*"ya know wat ya nee to sop sndalfkngdfgjdsdkg fudck a adf kasdfjdfjndf fuck yaa"*

**Cannot be rewritten in a neutral way**

The text can't be reformulated because it is meaningless.

*"Or am i saying so much that its overloading that wad of chewing gum you call a brain?!"*

**Cannot be rewritten in a neutral way**

The text can't be reformulated. It contains covert aggression against the opponent, and removing it will change the meaning significantly.

*"maybe they should deport you back to your country , or your grandparents country."*

**Cannot be rewritten in a neutral way**

The text can't be reformulated. It contains offence (anti-immigrant aggression) which can't be removed without changing the meaning significantly.

*"mainly , he has been exposed as weak and incompetent."*

Cannot be rewritten in a neutral way

The text can't be reformulated, because it does not contain any explicit toxicity.

*"i have absolutely no sympathy for any employee of these scum."*

Can be rewritten in a neutral way

The text can be reformulated by replacing swear words with synonyms: ""i have absolutely no sympathy for any employee of these companies.""

*"don't fucking put words in my mouth asshole."*

Can be rewritten in a neutral way

The text can be reformulated by removing swear words: ""Don't put words in my mouth."".

*"what the heck is this about?"*

Can be rewritten in a neutral way

The text can be reformulated by removing swear words: ""what is this about?"".
